GOLD LEVEL RECOGNITION FOR ADULT BASIC EDUCATION

SAN ANGELO – The Howard College San Angelo Adult Basic Education (A.B.E.) once again received the Gold Level Recognition for meeting all Federal Performance Measures for 2007-08, an award they also received for 2006-07. The presentation was made at the Texas Association for Literacy and Adult Education conference in Austin, Texas, February 12-14, 2009.

In addition to the award for A.B.E., Krystal Pence of Coleman, Texas was also recognized for achieving the highest GED score for the state of Texas. Coleman is included in the service area that A.B.E. San Angelo serves.

“San Angelo Adult Basic Education is strongly committed to our students and helping them achieve their educational goals,” stated Gordon Peterson, A.B.E. San Angelo Director. “We are honored to have received this award two years in a row. We are also proud of the accomplishment that Krystal achieved with her G.E.D. exam scores and the part that our Coleman classes played in helping her reach her goals.”

A.B.E. San Angelo serves a 15 county area offering classes for G.E.D. preparation, English as a Second Language (E.S.L.), basic Reading, Writing, and Math, and citizenship preparation. In addition, A.B.E. can help with preparation for college assessment tests such as the THEA or Accuplacer.

Classes are available day and evening and are “student directed,” meaning the student enrolls only for the classes needed and stays only as long as necessary. All classes are free with no tuition, fees or textbook costs for the students.

A.B.E. San Angelo is located in the Ministerial Alliance building at 1100 MLK Blvd. For more information on their programs call 325-481-8324.
