What is your current place of employment/title?

"Howard College - Lamesa/admissions assistant"

Why did you choose Howard College?

"I chose to come here for many different reasons, but the main one would be that I would be around people I knew."

What was your favorite class or instructor and why?

"My favorite class would have been Astronomy. Not only was I able to learn more about our planet, but also got to see the moon, the Andromeda Galaxy, Sirius Star, Orion's Belt, and so much more!"

What is your most fond memory at Howard College?

"Would have to be the passion that the office staff has for the students and wants every one of us to succeed in the future."

What advice would you give to students today?

"Take advantage of your time here. Come to classes every day when you have them, be on time, and be serious about your education!"

What has life after graduation been like?

"Great! I have a great job. Having accomplished some type of college degree, I have more confidence in myself."
